

FCC
Consumer Informal Complaint
Re Proceeding #02-278

Dear Sir or Madam -

I understand that current regulation allows for unsolicited text messages to my cell phone from an email address.

I am writing to express my opinion that any unsolicited text messages cost me money, and should not be allowed. This is true both for commercial messages and for the political message I received at my expense last week.

I appreciate your consideration of my input to this procedure.

Yours truly,

Jennifer Nair
